

# Commercial Web Press

**Are you looking for a way to reduce printing costs?  
Have you considered newsprint?**

You'll find it economical, fast and easy to have your reports, catalogs, brochures, newsletters and handbooks printed on our newspaper press.

In today's economy even if you can afford to offer a fancy, glossy report your audience may not appreciate the expense of producing it.

Customers want you to keep prices down and know that saving money on printing helps you do that.

**Contact Matt Martin at 207-667-2576  
today for all your printing needs.**
